

FAA Level 3 Award in Paediatric First Aid (RQF)

This course has been developed for those who are working with children and infants. It will be of particular interest to teachers, child minders, crèche assistants, playgroup personnel and anyone else who has a responsibility for their welfare whilst in your care.

The purpose of the qualification is for the learner to attain the knowledge and practical competence required to deal with a range of paediatric first aid situations

COURSE TOPICS:

- Responsibilities and reporting
- Resuscitation
- Assessment of the situation
- Fainting
- Dealing with an unresponsive casualty
- Choking
- Head injuries
- Diabetes
- Infantile convulsions

COURSE LENGTH:

Total qualification Time (TQT) is 15 hours, with at least 12 Guided Learning Hours (GLH) in the classroom over a minimum of 2 days

HOW & WHERE IS IT ASSESSED:

The qualification is assessed both through practical demonstration and written assessment and can be delivered in-house or on-site.
