

# Highfield Level 2 Award in the Control of Substances Hazardous to Health (RQF)

---

The Highfield Level 2 Award in the Control of Substances Hazardous to Health (RQF) has been developed to give learners who may have contact with hazardous substances the skills and knowledge to recognise the risks associated with them and how to control them.

## **COURSE TOPICS:**

- The law relating to hazardous substances in the workplace
- How risk assessments contribute to the safe use of hazardous substances in the workplace
- The precautions and procedures necessary to ensure that risks associated with hazardous substances are properly controlled.

## **COURSE LENGTH:**

The total qualification time for this course is 6 hours.

## **HOW & WHERE IS IT ASSESSED:**

This qualification is assessed by a 30-minute multiple-choice examination and can be delivered at any approved training centre.

## **WHAT HAPPENS NEXT:**

Learners successfully completing this qualification may wish to progress onto further qualifications such as:

- Highfield Level 2 Award in Risk Assessment (RQF)
- Highfield Level 2 Award in Health and Safety within the Workplace (RQF)
- Highfield Level 3 Award in Health and Safety in the Workplace (RQF)
